Dear Ms. Schluechtermann:

Thank you for submitting the executed copy of your Uniform Dwelling Code (UDC) Ordinance (ordinance #1-93). The ordinance satisfies DILHR rules as stated in section ILHR 20.06 and is acceptable to the Department.

You may begin enforcement of the UDC using state permit forms, permit seals and procedures explained in ILHR Chapter 20. Your inspector, Francis Mayer, should be familiar with this process.

The seals and forms you requested are also being mailed today under separate cover.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Ergun I. Somersan', written over a horizontal line.
